## NDLI User Awareness Session for NKSPT's ASC College Badnapur

held on 16<sup>th</sup> November-2021

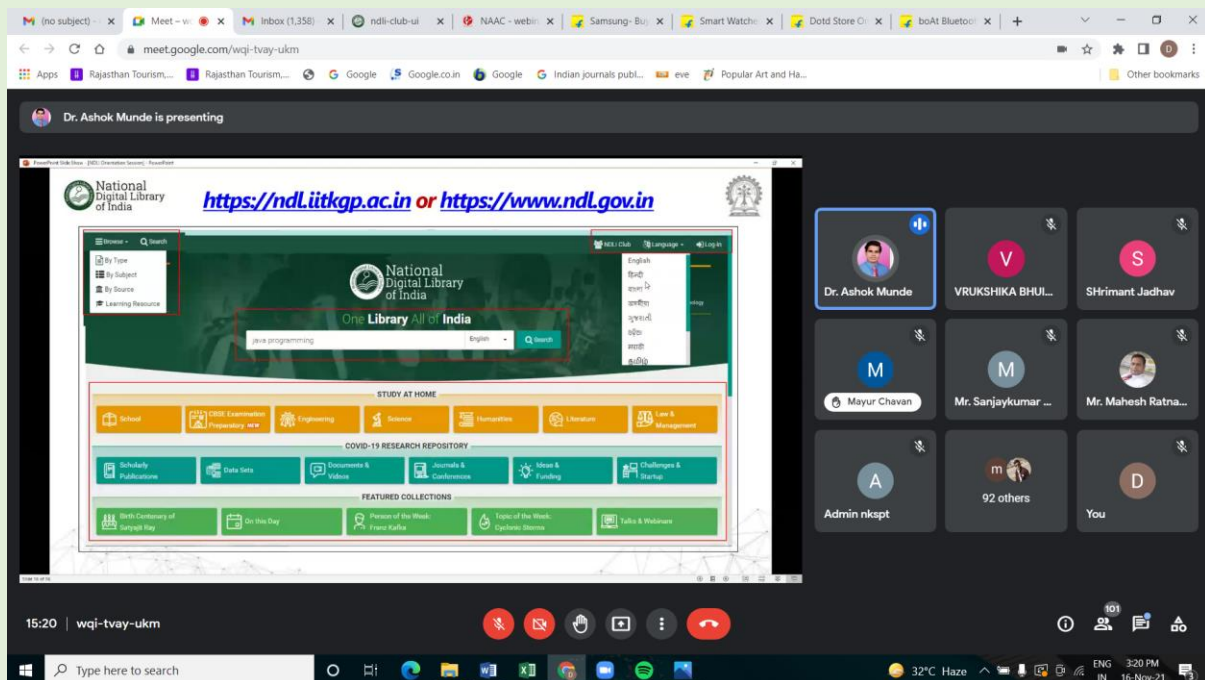

*Submitted by*

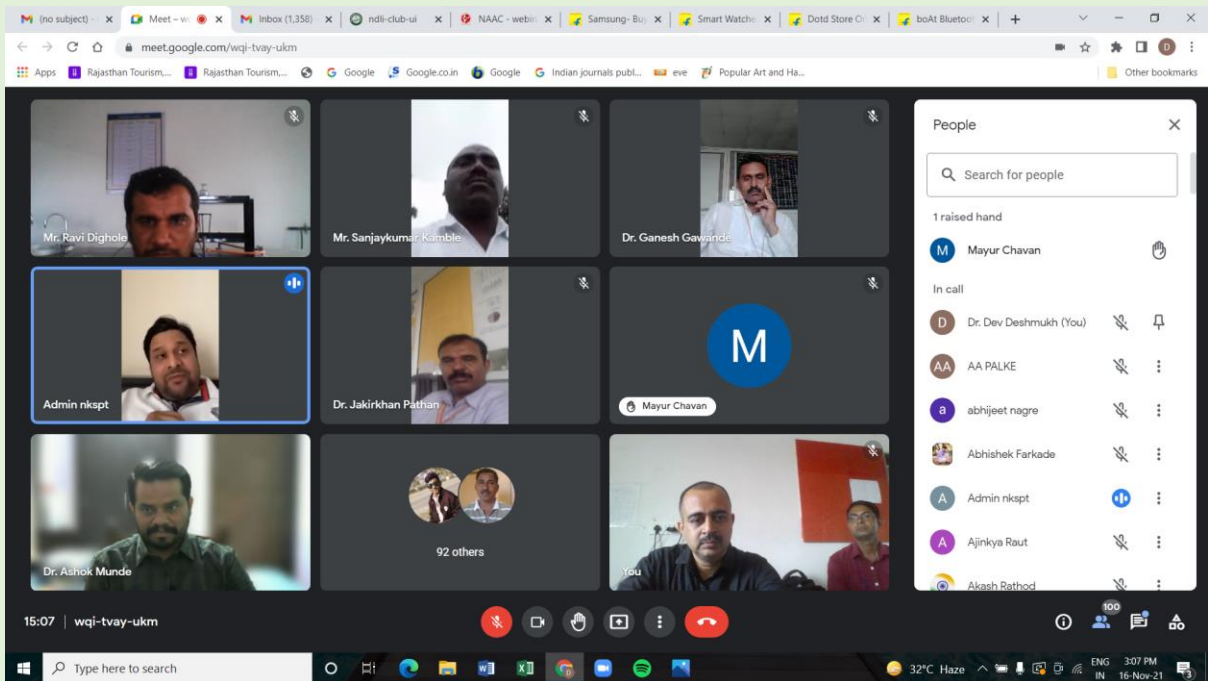

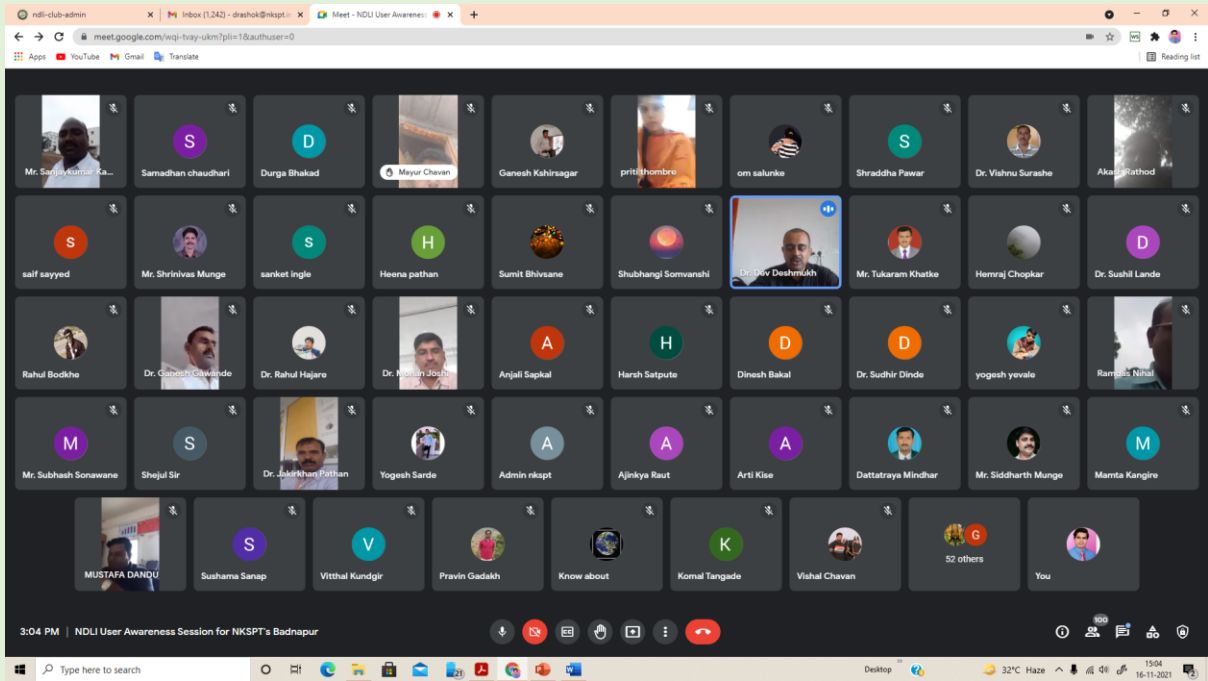

NDL Club for NKSPT's Arts, Science and Commerce  
College, Badnapur

Club Registration Number : **INMHNC3QBMNCXQD**

Our Club Authority of NDLI Club organized awareness program for NKSPT's Arts, Science and Commerce College Badnapur. We have explained and presented the working of NDLI and its procedure, also we have demonstrated how to access the content of the NDLI and how it differs from other sources. Also explained its benefits to students, researchers, academicians and professionals etc.

Our Institute is from rural area so some students are facing technical issues to register and participate to this event on time. But they have attended the event online without registering/login on the club. We are organized this event online with 100 participants. Following are some snap shots of the program.

अर्थशास्त्र विभाग

सेमिनार अहवाल

विषय:- "भारतातील डिजिटल अर्थव्यवस्था"

कला, विज्ञान व वाणिज्य महाविद्यालयचा अर्थशास्त्र विभाग व नॅशनल डिजिटल लायब्री ऑफ इंडिया यांच्या संयुक्त विद्यमाने दिनांक 08 एप्रिल 2022 रोजी सकाळी ठीक 11.00 वाजता महाविद्यालयातील विद्यार्थी व प्राध्यापक यांच्यासाठी "भारतातील डिजिटल अर्थव्यवस्था" या विषयावर ऑनलाइन परिसंवाद आयोजित केला होता.

या कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाच्या प्राचार्या डॉ. सौ. एम.डी. पाशीकर मॅडम उपस्थित होत्या. प्रमुख उपस्थिती म्हणून संस्थेचे कार्यकारी संचालक डॉ. देवेश पाशीकर सर उपस्थित होते. या परिसंवादाला जवळपास एकूण 125 पेक्षा अधिक विद्यार्थी व प्राध्यापक उपस्थित होते.

या परिसंवादाचे प्रास्ताविक महाविद्यालयाचे अर्थशास्त्र विभाग प्रमुख प्राध्यापक जी. बी. गावंडे यांनी केले. प्रस्ताविकानंतर संस्थेचे कार्यकारी संचालक यांनी आपल्या मनोगतात डिजिटल व्यवहारांचा महाविद्यालयाच्या पारदर्शक आर्थिक व्यवहारात किती उपयोग झाला ते सांगितले. कोणत्याही महाविद्यालयातील सर्व आर्थिक व्यवहार हे डिजिटलायझेशन च्या माध्यमातूनच होणे गरजेचे आहे असे त्यांनी प्रतिपादन केले.

यानंतर व्याख्याते डॉ. बालासाहेब मॅड यांचा अल्प परिचय करून देण्यात आला. पुढे "भारतातील डिजिटल अर्थव्यवस्था" या विषयाची मांडणी करताना डॉ. बालासाहेब मॅड यांनी डिजिटल अर्थव्यवस्थेचा अर्थ समजावून सांगितला. विविध आकडेवारीच्या आधारावर भारतातील डिजिटल अर्थव्यवस्थेचा जागतिक पातळीवर आठवा क्रमांक लागतो असे स्पष्ट केले. त्याचबरोबर व्याख्यात्याने डिजिटल अर्थव्यवस्थेचे फायदे, भारतातील डिजिटल अर्थव्यवस्थेसमोरील आव्हाने, डिजिटल व्यवहार करताना वेळोवेळी घ्यावयाची दक्षता, डिजिटल अर्थव्यवस्था वेगाने वाढीची कारणे व गरज याविषयी आपले सविस्तर मत मांडले.

तसेच भारतातील डिजिटल अर्थव्यवस्थेचा आधार काय आहे. कोणत्या इंटरनेट कंपनीचे किती ग्राहक आहेत. या कंपन्यांची इंटरनेटच्या किमती बाबतची काय व कशी ध्येयधोरणे आहेत याबाबत विवेचन केले. तसेच भारतात डिजिटल अर्थव्यवस्था विकसित करण्यासाठी ग्रामीण व शहरी भागातील डिजिटलायझेशन बाबत जी दरी आहे ती दूर करावी लागेल असे मत व्यक्त केले.

कार्यक्रमाच्या शेवटी अर्थशास्त्र विभागाचे सहाय्यक प्राध्यापक डॉ. ज्ञानेश्वर शिरसाट यांनी उपस्थितांचे आभार मानले.

**Name of College** : NKSPT's ASC College Badnapur

**Name of Department:** Department of Physics & Electronics

**Date of Program** : 30 April 2022

**Title of Program** : Webinar on Climate Change

**Summary & Introduction of Program**

With the above subject I Dr. Vishnu Surashe Head of the Department of Physics & electronics informs you that, the department of Physics & Electronics had scheduled a departmental activity in the month of 30 April 2022

So the department of Physics & electronics has decided to conduct the Webinar the subject on 30 April 2022 on the topic Climate Change

**About the webinar:-**

Climate change refers to the long-term changes in the climate that occur over decades, centuries or longer. It is caused by rapidly increasing greenhouse gases in the Earth's atmosphere due primarily to burning fossil fuels (e.g., coal, oil, and natural gas). These heat-trapping gases are warming the Earth and the Oceans resulting in rising sea levels, changes in storm patterns, altered ocean currents, changes in rainfall, melting snow and ice, more extreme heat events, fires, and drought. These impacts are projected to continue and in some cases, intensify, affecting human health, infrastructure, forests, agriculture, freshwater supplies, coastlines, and marine systems. #### AIM AND OBJECTIVES OF THE COURSE:

To introduce participants to the basic practice of statistics by using SPSS Statistics, a statistical software program used for data management and data analysis and learn how to perform basic statistical analyses.

To introduce participants to the use of advanced SPSS for analysing project data for reporting purposes focusing on database management tasks, descriptive statistics and graphics, and basic inferential statistics for comparisons and correlations.

To know the importance of SPSS Software

#### Description:

SPSS is a widely used program for statistical analysis in social science. SPSS is a powerful suite of data analytics, reporting and modelling software. It is the data analytics software package of choice for people who need to analyse large amounts of quantitative data and is used as standard by a wide range of users who need to quickly and accurately carry out statistical analysis of that data such as market researchers, health researchers, survey companies, government, education researchers, marketing organizations and data miners.

SPSS functionality ranges from simple plots and charts; to much more sophisticated statistical tests. Although very broadly applicable, SPSS is very well-suited to analysing survey data. It has a very broad range of applications from the relatively simple like calculating frequencies and creating lists and charts to the far more advanced like variance analysis, multivariate statistical analysis, and cluster analysis. It is also useful in building predictive models.

## **Report of the Programme**

Dr. Mule sir is told how to use spss software

SPSS (The Statistical Package for the Social Sciences) software has been developed by IBM and it is widely used to analyse data and make predictions based on specific collections of data. SPSS is easy to learn and enables teachers as well as students to easily derive results with the help of a few commands. The implications of the results are fairly evident and are statistically valid

**Import the data into SPSS.** You need to import your raw data into SPSS through your excel file. Once you import the data, the SPSS will analyse it.

**Give specific SPSS commands.** Depending on what you want to analyse, you can give desired commands in the SPSS software. Each tool has guidelines on how it should be used and you can feed in all the options to get the most accurate results. Giving commands in SPSS is simple and easy to comprehend, making it an easy task for students to do this by themselves

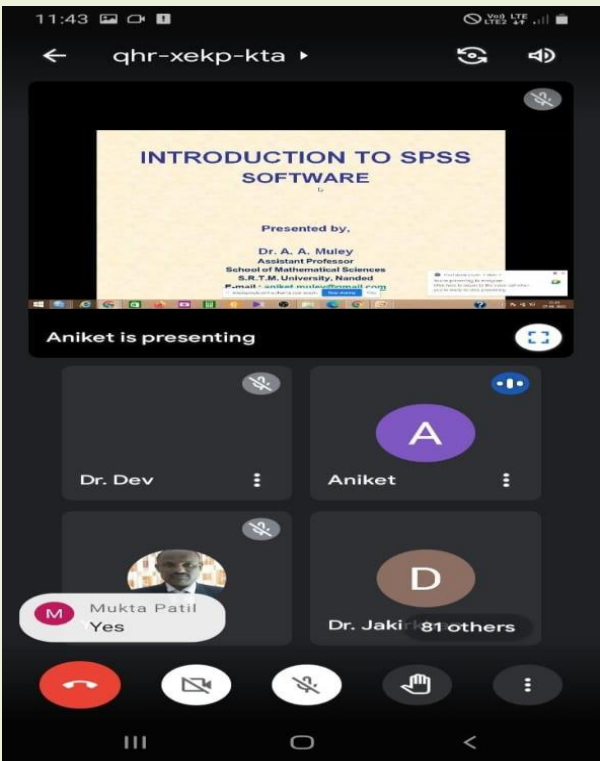

**Retrieve the results.** The results from the software are given efficiently and accurately, providing researchers a better idea of appropriate future studies and a direction for moving forward.

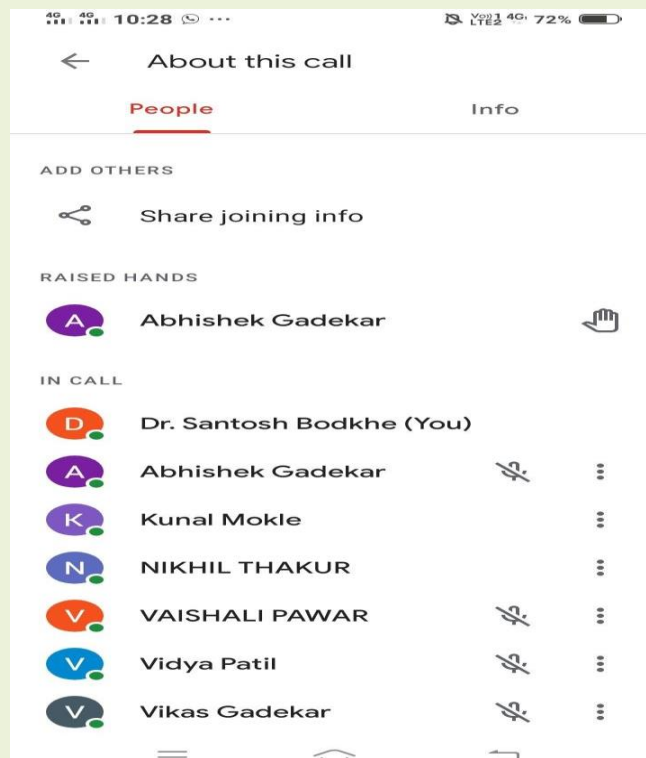

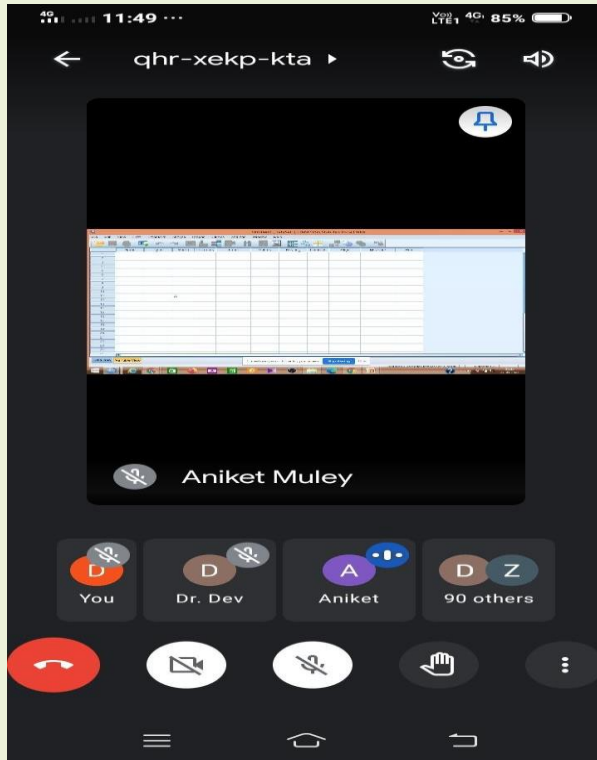

**Analyse the graphs and charts.** Understanding the results can be a little difficult. but you can get help from professors and peers with the analysis. You can also consult a professional company which is expert in SPSS.

**Postulate conclusions based on your analysis.** The ultimate objective of the SPSS is to help arrive at conclusions based on specific research. The software helps you to derive conclusions and predict the future easily with minimum statistical deviation.

In short, remember to use SPSS when you need a flexible, customizable way to get super granular on even the most complex data sets. This gives you, the researcher, more time to do what you do best — identifying trends, developing predictive models, and drawing informed conclusions.

**Report of Soft Skill Development**

Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

In order to improve the communicative abilities of the students Department of English and **ASC College Badnapur**, the College to enhance the written communication of the students play significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of **communication skills**.

To improve the **Presentation Skills** the departments conducted seminars of the students. The students get participated and perform active role in the **Seminars**. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The Department of English conducts the **Poetry Recitation activity** which helps the students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.

**ANNUAL REPORT on YOGA DAY**

**Session 2021-2022**

On 21<sup>st</sup> June 2022 College celebrate International Yoga Day The college has as a background of yoga Trainee. The students of the college are given training for meditation through the programme Meditation in Action coordinated by Dr. Shafiuddi Shaikh, Dr. Khan, Dr. SushilLande and her colleague from the Department of Physical Education. This Meditation is based on the Mindfulness technique to experience self-awareness, greater focus and silence. Dr. Shehjad Dr. Rahul Hajare, also delivered a speech on Yoga Day

Meditation is a charismatic movement with specific activities to inculcate meditation, awareness, values and concern for the students- the future of the nation.

### **The Beginning:**

Dr. Shafiuddin Shaikh addressed the students explaining what Meditation and Action Movement was and its usefulness in one's life. She stressed on mindfulness "a technique when we train the mind to be thoughtless- all the above helps are to lead to self-awareness and a deep concentration and silence.

The sessions of Yoga and meditation are conducted regularly. It begins every year on International Yoga Day. The practice helps a lot to refine the students and make them realize the importance of mental and spiritual health and stress free life.

A few minutes of yoga during the day can be a great way to get rid of stress that accumulates daily in both the body and mind. Yoga Postures, Pranayama and Meditation are effective techniques to release stress. Meditation is relaxation which gives calm mind, good concentration and rejuvenation of the body and mind etc. Yoga is a great remedy to remove tensions. Yoga helps students, teachers, and workers by giving them emotional strength so that they can easily manage all pressures and can give them best intellectual abilities.

On 21<sup>st</sup> June, 2022 ASC College Badnapur celebrated<sup>th</sup> "International Yoga Day" by organizing a special Yoga session in which 100 students, teachers and non-teaching staffs. The main aim was to raise awareness and ignite a passion for fitness and yoga among the students and
