Report of English Language Laboratory

2021 - 2022

The English Language Laboratory was set up by the Department of English in the year 1997 with Renate Digital Multimedia Software and since then it is functional with series of workshops and sessions. Till 2016, the Language Lab function was based on the need based materials, methods and human resources. Recently, the Language Lab has been given a techno-lift with the installation of Words Worth software to aid self- learning.

The English Language Laboratory creates a non-threatening atmosphere for the learners and promotes autonomy in thinking and expression. It reaches out to the rural and semi-urban students to help them reduce the interference of mother tongue while speaking English. The students also work on their reading habits, listening skill and interactive communication. It provides opportunities for English Literature students and highly motivated students to improve their pronunciation and intonation. Even PG students and those who are aspiring for job placements are getting benefitted by the Laboratory to its fullest extent.

The following are the objectives of the English Language Lab:-

- To help students acquire proficiency in LSRW skills
- To develop confidence to express oneself spontaneously
- To develop confidence to interact with the teacher and peer
- To correct grammatical errors incidentally and specifically
- To help learners speak with accuracy
- To train the students in soft skills
- To introduce students to Certification courses in English, like Enhancing competence in English, English Grammar for Competitive Examination, Proficiency in English, etc.
- To upgrade the teachers in campus with creative teaching methodologies in the wake of ICT.
- Language Lab is upgraded with the latest technology software Words Worth with 25 systems in the lab and an additional 01system as server.

- The Lab is well furnished and fully air-conditioned with quality sound output.

The notice is circulated to each department regarding the time table and functioning of the language lab in the beginning of every academic year. Students from all departments get registered for the language lab sessions. Prof.Dr.ShehjadSidiqii, Dr.Ateeq Qureshi, Prof. S.A. Jadhav, the instructor for the language lab

The Language lab remains open from 8: 30 AM to 6:00 PM. Students from all departments attend the English language lab before or after their regular classes. They are also allowed to attend the lab during their off lectures. The details of activities and programs implemented through language lab are as follows:-

Sr. No.	Title of the programs/activities conducted through language lab	No. of students ad beneficiaries
		2021-2022
1	Certificate course in Communication Skills in English	23
2	Enhancing Competence in English (Certificate Course)	25
3	Resume Writing	22
4	Soft Skills	18
5	Personality Development	23
6	Improving listening skills	28
7	Situational dialogues	30
8	English Grammar	21

Outcome of the activity:-

The language lab has become instrumental in giving opportunities to five hundred students per year in enhancing their competence in use of English language and thereby improving the communication skills. As a result of which the training and placement cell could excel in placing hundreds of students in the multinational companies as a success of training and placement cell.

Report of Soft Skill Development

Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

In order to improve the communicative abilities of the students Department of English and **ASC College Badnapur**, the College to enhance the written communication of the students play significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of **communication skills**.

To improve the **Presentation Skills** the departments conducted seminars of the students. The students get participated and perform active role in the **Seminars**. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The Department of English conducts the **Poetry Recitation activity** which helps the students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.

ANNUAL REPORT on YOGA DAY

Session 2021-2022

On 21st June 2022 College celebrate International Yoga Day The college has as a background of yoga Trainee. The students of the college are given training for meditation through the programme Meditation in Action coordinated by Dr. Shafiuddi Shaikh, Dr. Khan, Dr. SushilLande and her colleague from the Department of Physical Education. This Meditation is based on the Mindfulness technique to experience self-awareness, greater focus and silence. Dr. Shehjad Dr. Rahul Hajare, also delivered a speech on Yoga Day

Meditation is a charismatic movement with specific activities to inculcate meditation, awareness, values and concern for the students- the future of the nation.

The Beginning:

Dr. Shafiuddin Shaikh addressed the students explaining what Meditation and Action Movement was and its usefulness in one's life. She stressed on mindfulness "a technique when we train the mind to be thoughtless- all the above helps are to lead to self-awareness and a deep concentration and silence.

The sessions of Yoga and meditation are conducted regularly. It begins every year on International Yoga Day. The practice helps a lot to refine the students and make them realize the importance of mental and spiritual health and stress free life.

A few minutes of yoga during the day can be a great way to get rid of stress that accumulates daily in both the body and mind. Yoga Postures, Pranayama and Meditation are effective techniques to release stress. Meditation is relaxation which gives calm mind, good concentration and rejuvenation of the body and mind etc. Yoga is a great remedy to remove tensions. Yoga helps students, teachers, and workers by giving them emotional strength so that they can easily manage all pressures and can give them best intellectual abilities.

On 21st June, 2022 ASC College Badnapur celebratedth "International Yoga Day" by organizing a special Yoga session in which 100 students, teachers and non-teaching staffs. The main aim was to raise awareness and ignite a passion for fitness and yoga among the students and
