INTRODUCTION –NirmalKrida and SamajPrabodhan Trust's, Arts, Science and Commerce College, established in the year 1997 in rural area Badnapur, District- Jalna.Since college establishment a Placement cell was established and working with full efforts. In the first phase of establishment cell has preferably working for offline placement campus and therefore data has shared with institution where vacancies were available and also inform to the students. From year 2019 placement cell prefer to organize campus placement drive and employer institutions gave priority to our institution where available students are from multiple disciplines. In mega drive campus placement drive more than 500 students were participated and near about 200 students were short listed. Placement cell always in touch with banking, industries, consultancies, pharmacy, software, and other private institution and also public sector through MCED and other.

VISION – The vision of placement cell is to increase the employability skills of our students at all level, to furnish our students with relevant and conceptualized professional skills and guiding them towards the bright future and career.

AIM :- We aim to invite companies from various fields in order to make range of opportunities available for the students of all courses.

MISSION:- The placement cell organized job description explanation session, mock interview, to enhance the confidence of the students to face the placement process of various opportunities. The placement cell supported the companies to conducting tests and interviews in the college campus.

Employment and Guidance Cell, organized a special drive for 'Dhoot Transmission' in association with 'Sakshi Consultancies' on dated 11 January 2020, Tuesday. In this pandemic situation Government rules regarding COVID-19 creates hurdles in job opportunities many more industries already facing excessive staff load and therefore it is a challenge to arrange campus placement drive for students. Regarding this situation 'Employment Guidance and Placement Cell' focus on opportunities avail due to projects sanction for COVID-19 situation and therefore make contact with consultancy agencies who provides placement services and we offered four to five agencies for campus placement drive for the students of Arts, Commerce, Science, Management and Pharmacy. The first attraction for agencies is they found students from various stream under one roof and these students already attended sessions of career counseling it is a type of a pre training sessions.

Among four agencies two agencies respond positively and therefore at the end of discussion cell decided to arrange campus placement drive on dated 11 January 2022 (Tuesday). 'Dhoot Transmission' working on project related to pandemic situation and this project requires students from Commerce and Science faculty as well as a sanitization process again creating positions for Pharmacy students and therefore they demand for Commerce, Science and Pharmacy students for 50 positions. So we again pool and joined Institute of Pharmacy, Badnapur in this placement drive this created pool really help us to attract other agencies. In this campus placement drive 'Sakshi Consultancy and 'Tiger Placement Services' joined and conducted interview for eligible students. Students respond very positively in short notice because cell built a trust between and availing campus placement opportunities time to time. We arrange this campus placement drive in the manner of pool campus placement drive and focus on maximum students get the best placement opportunities which really help them to survive in this challenging, pandemic situation. The campus placement drive arrange at 'Pathrikar Campus' Arts, Science and Commerce College, Badnapur at time 10:00 AM on dated 11 January 2022.

Morning on 11 January 2022 drive started with a special inauguration programme in presence of IQAC Director Dr.R.AHajare, Vice Principal S.K. Munge, Head of the department of History Dr.Z.A. Pathan and Director of Employment Guidance and Placement Cell Dr.S.P. Dinde.

In this inauguration session we felicitated Director of both agencies and then a brief introduction of our cell presented by Dr. S.P. Dinde

In this campus placement drive 110 students takes part and apply for interview in this presented students 35 girls and 75 boys present and attend interview.

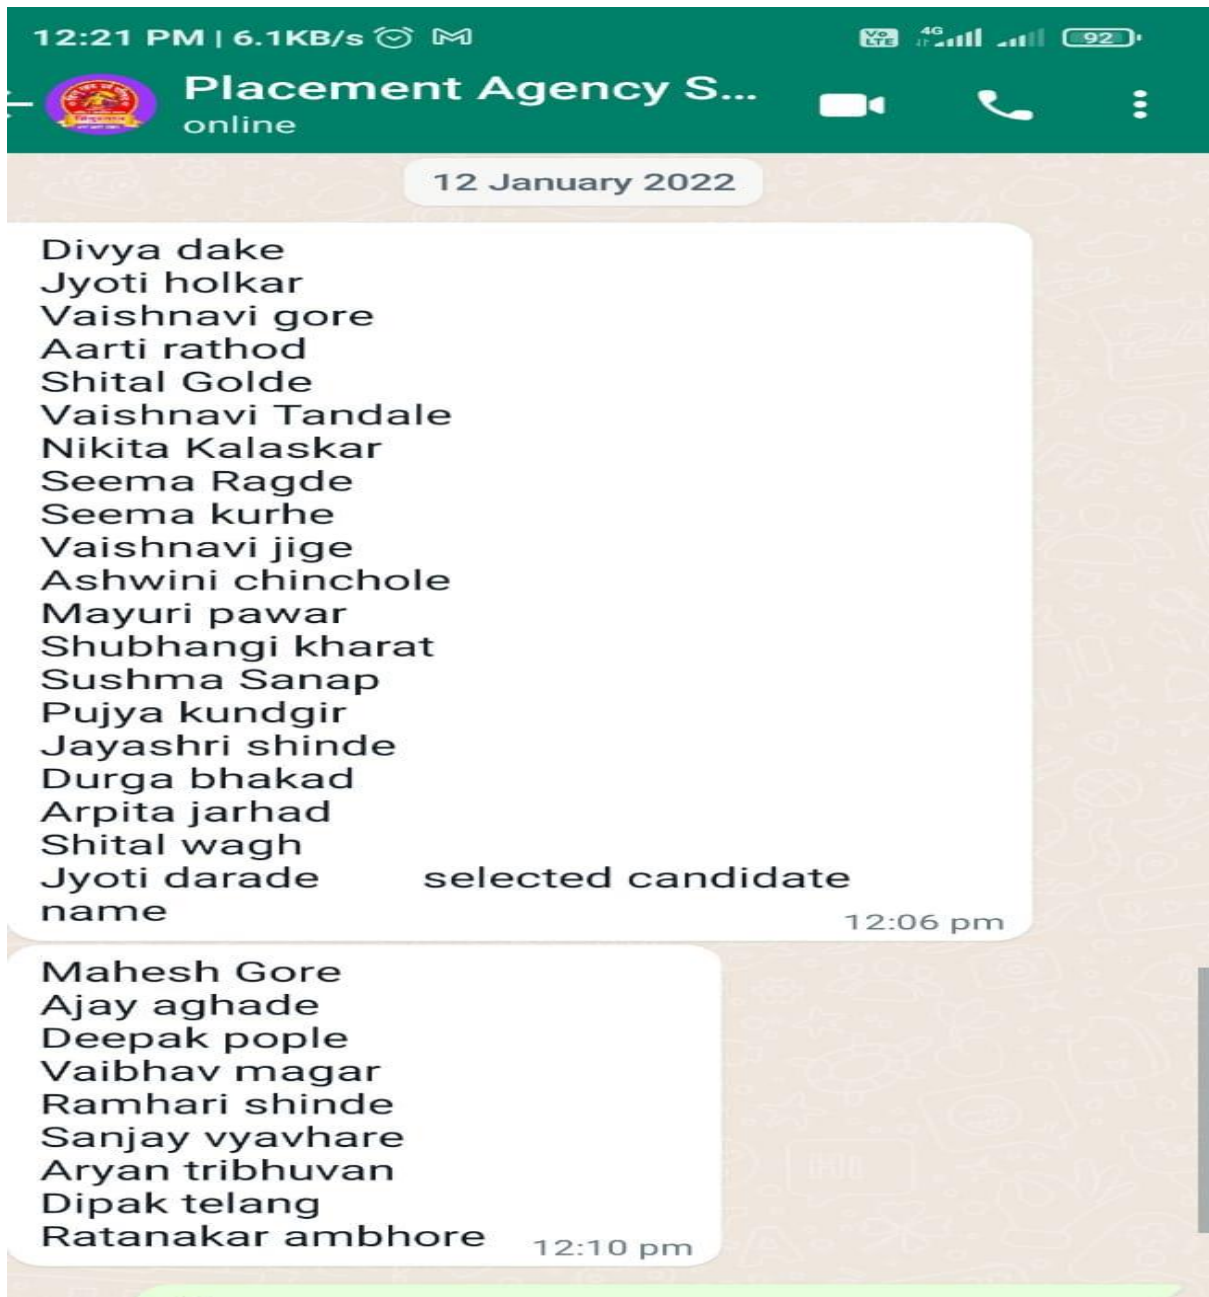

All interview and procedures conducted regarding norms of COVID-19 Rules and regulations.

All interviews conducted in one day which takes eight hours and among all students finally 29 students selected for required positions.

A Campus Placement Drive arranged on 11 January 2022 and as a result present students and selected students ratio is very near to 1:3 which is really satisfactory regarding situation.
